

Post war Investment Opportunities in Central and Eastern Europe

Date of the event : **July 29th, 2022; 13:00 – 17:20**

Organizer : Paul Hsu & Partners / Taiwan European Union Center / NTU College of Social Sciences

Co-Organizers: Franklin Templeton Chi Fu / European Bank for Reconstruction and Development (EBRD) / Central, Eastern Europe and CIS Association (CEECA)

VIP Invitees: Polish Office in Taipei; Hungarian Trade Office; Czech Economic and Cultural Office; Slovak Economic and Cultural Office.

Venue : Liang Kuo Shu International Conference Hall

Address: No. 1, Section 4, Roosevelt Rd, Da'an District, Taipei City, 106

Agenda:

1) Round Table 1 : Introduction to the CEE region: economic shifts & new supply chains.

The first part will introduce the current developments in the CEE region amid shifts in the governmental policies in region in general and changes in the economic environment. The questions will cover the topics of new regional supply chains, including current direction of industrial development, prospects for economic opportunities, as well as the investment environment in the region, important general information, and foresee tips.

2) Round Table 2 : For Taiwan's industries: investment opportunities for regional reconstruction.

The second part of the Conference will include discussions between Moderator (Chi Fu) and four Visegrad Group countries. Every representative will have 10 minutes to make introduction to the country and present the existing political/economic/investment environment. This topic aims to discuss what industries are being developed in the countries, as well as what forecast can be made in terms of investment return. The questions will cover governmental priorities and policies in CEE region, as well as Taiwan's strength and advantages in terms of investment environment.
